THE PIONEER

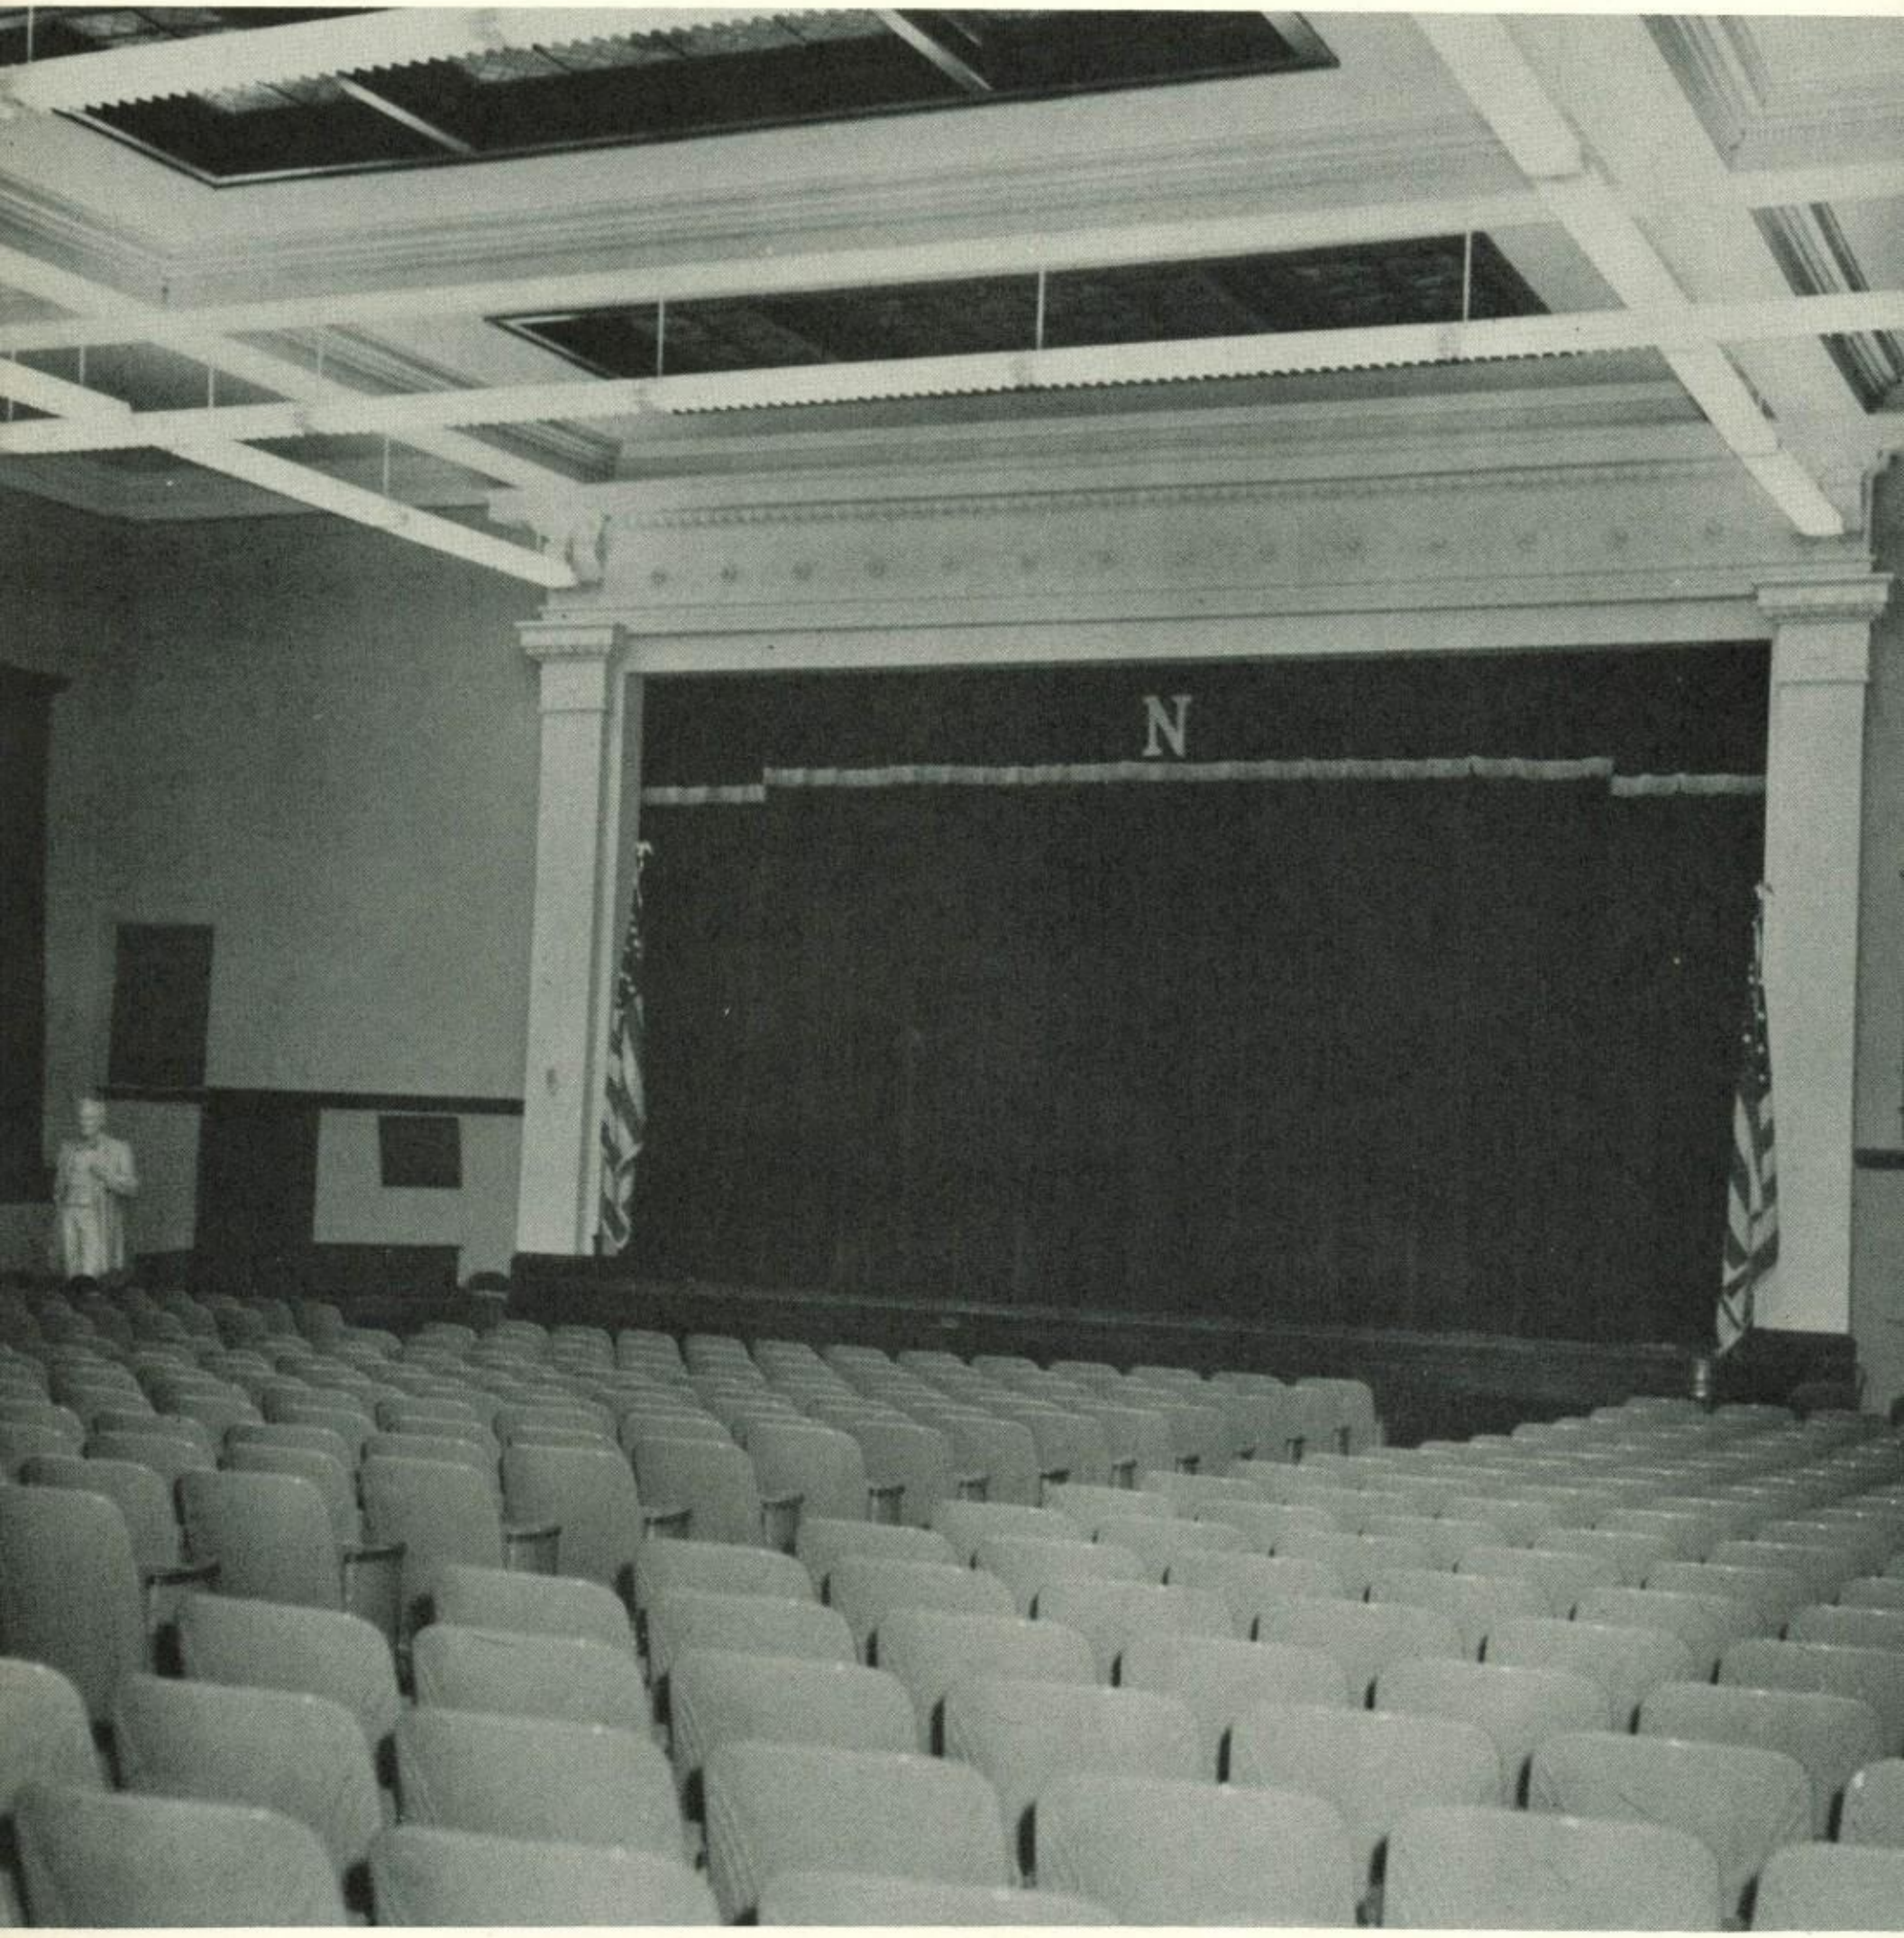
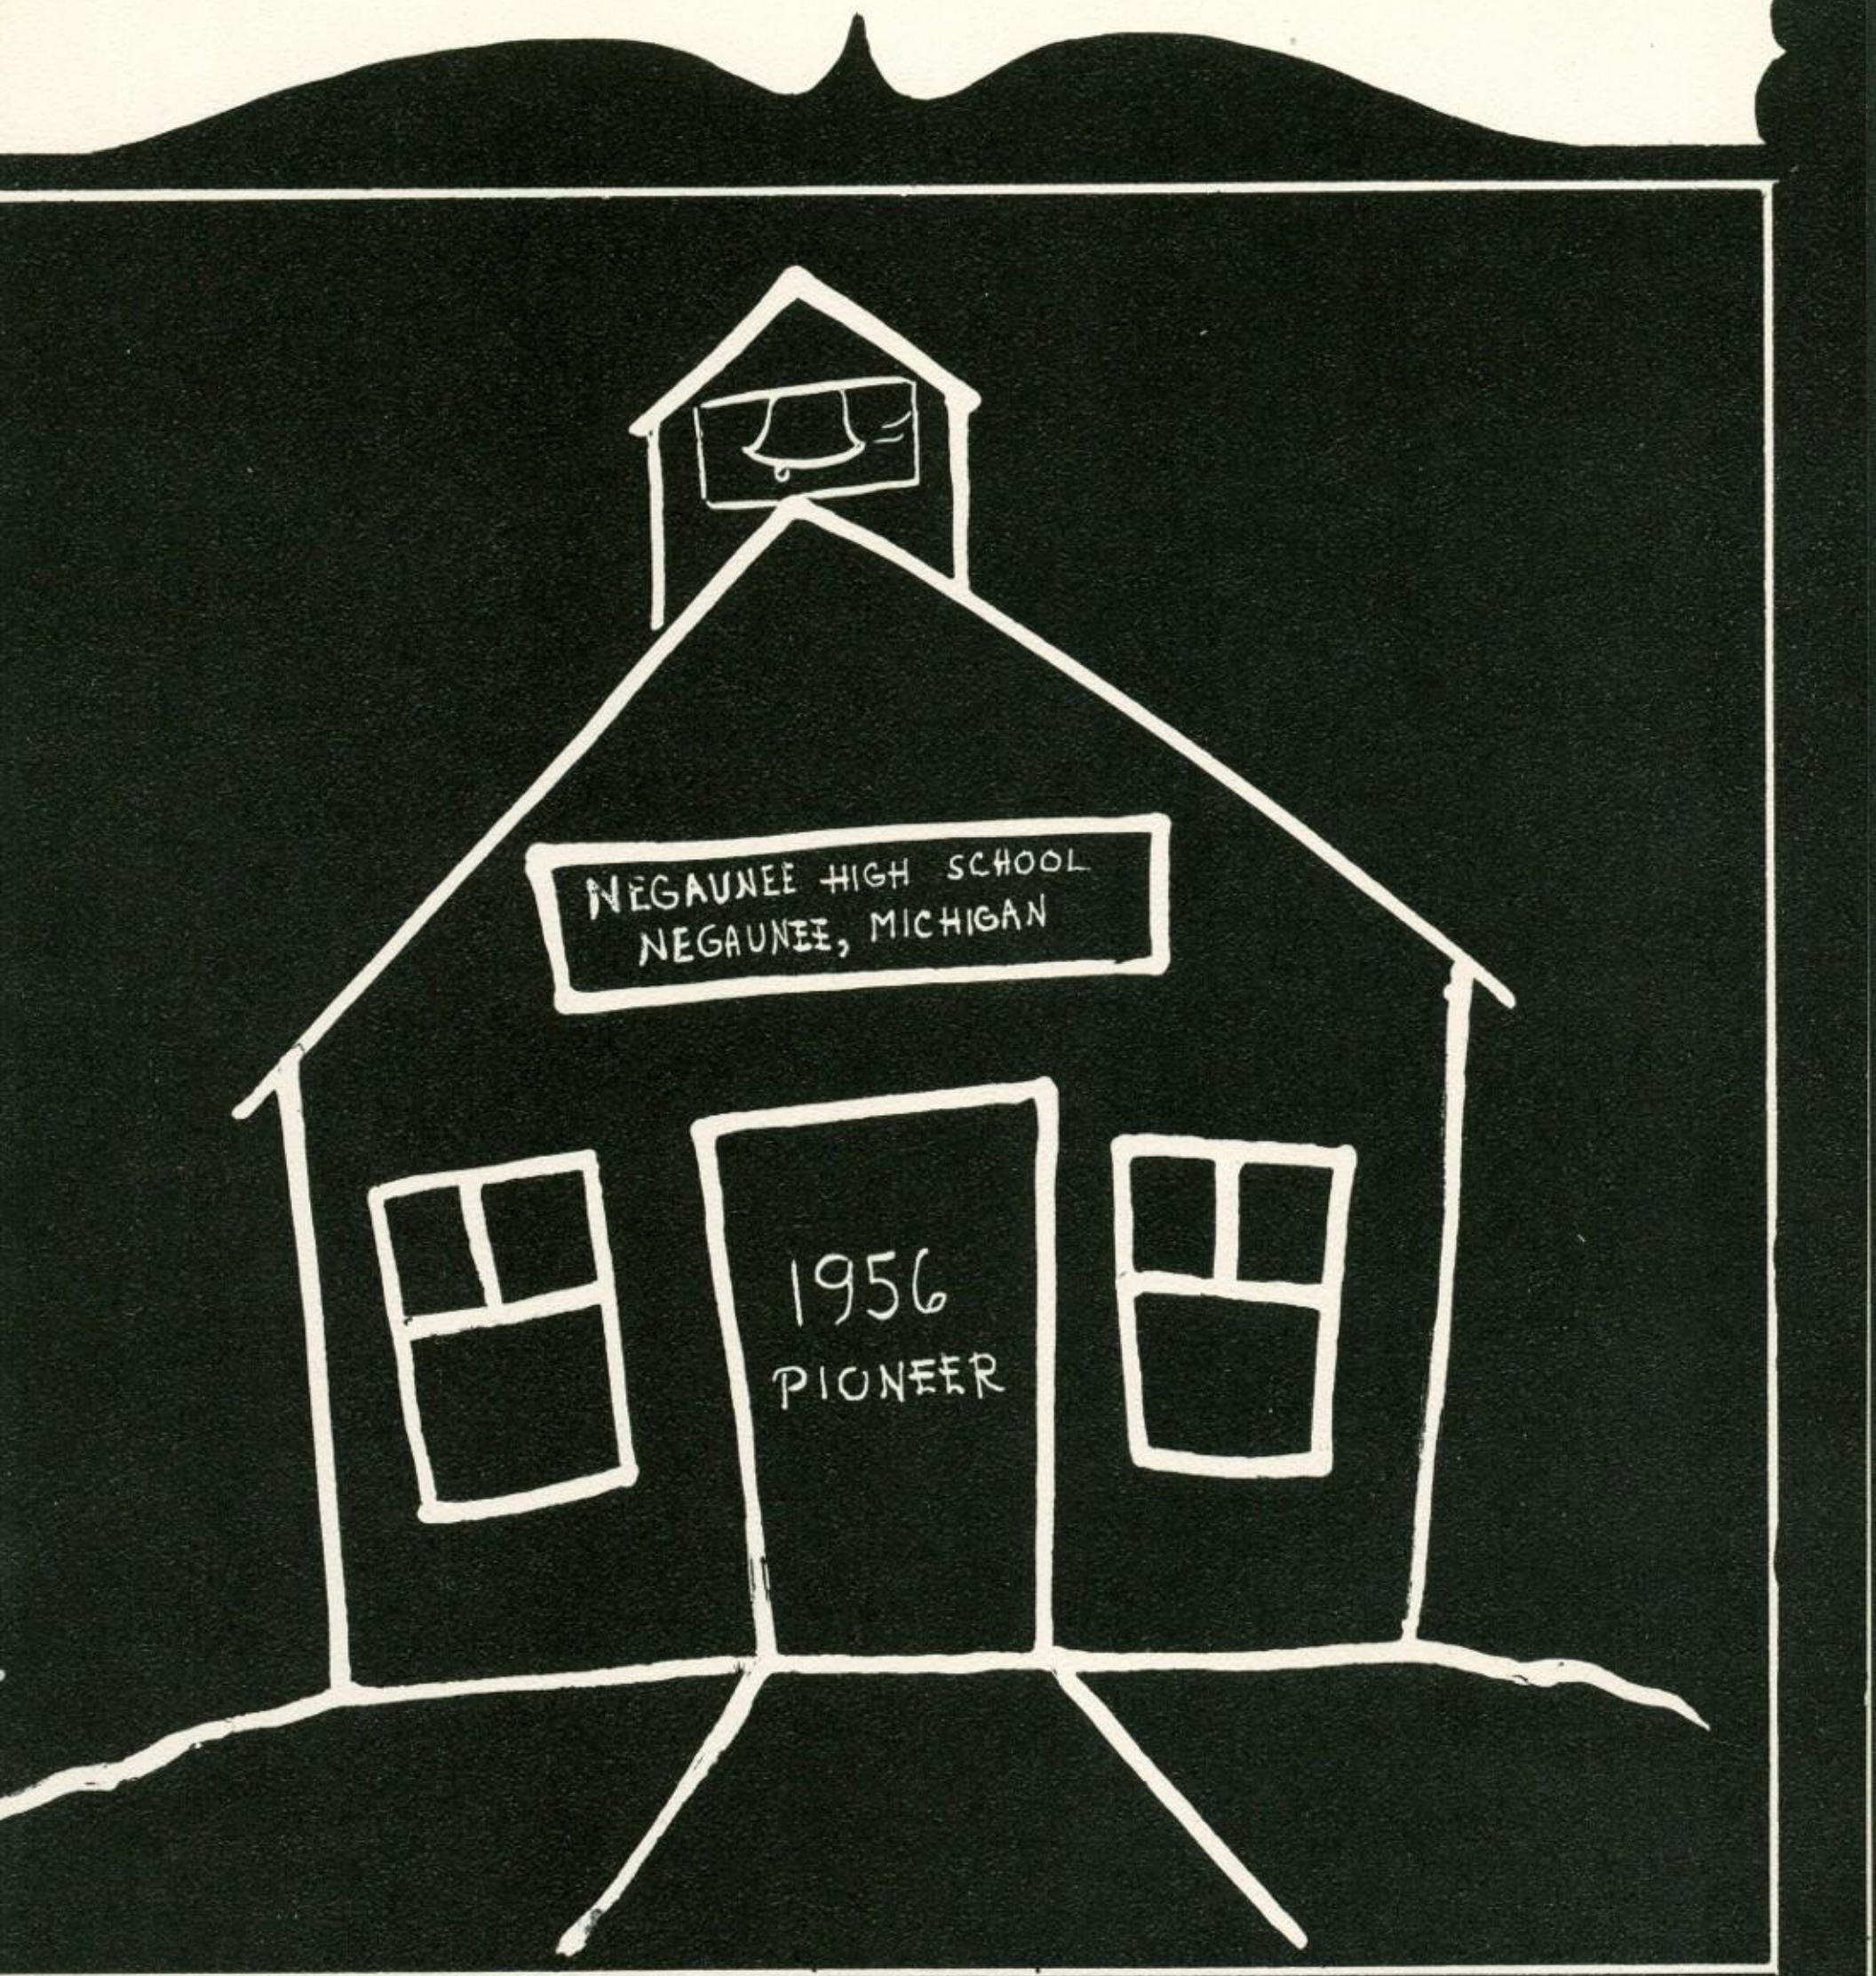
You
AGREAT

...in Action

Douglas Niemi



The auditorium is perhaps the most familiar place to the students of Negaunee High School. Many of the important events in our high school life take place in the auditorium, and many enjoyable programs are presented here.



NEGAUNEE HIGH SCHOOL
NEGAUNEE, MICHIGAN
1956
PIONEER

Foreword

"Children now love luxury, they have bad manners and contempt for authority. They show disrespect for elders and love to chatter in place of exercising. Children are now tyrants and not slaves of the household. Youth no longer rises when an elder enters a room. They contradict their parents and gobble up their food and chatter in company and enrage their teachers."

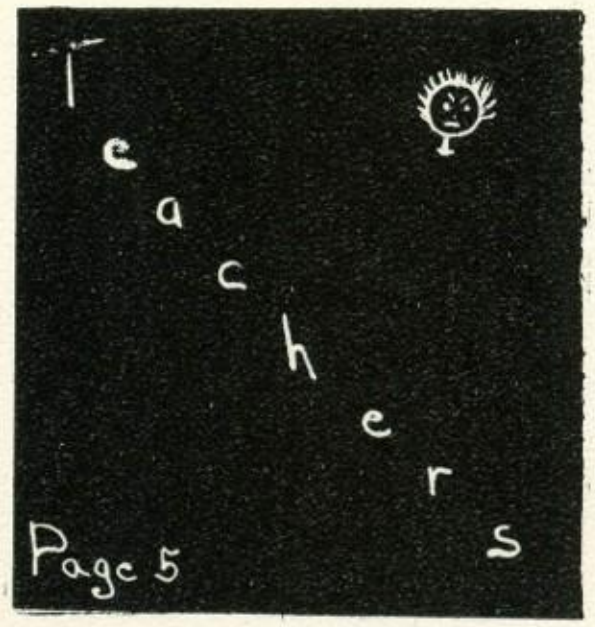
So wrote Socrates over 2,000 years ago.

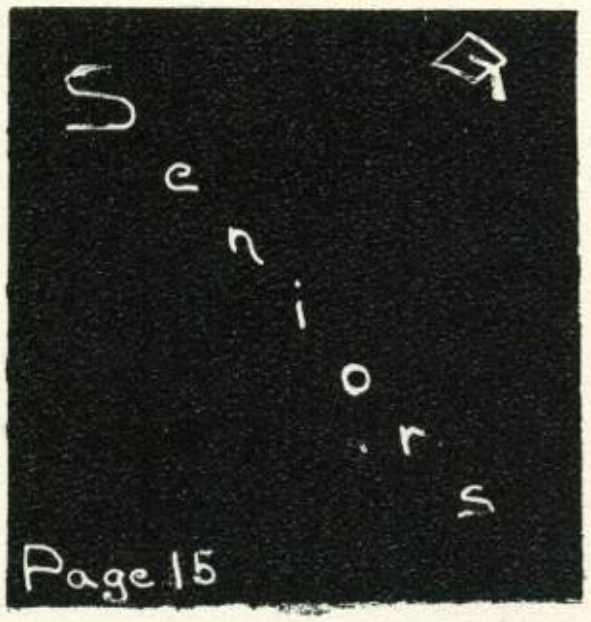
Down through the ages, these same criticisms have been made of youth. To many people, the "youth of today" is lazy, incompetent, and disrespectful.

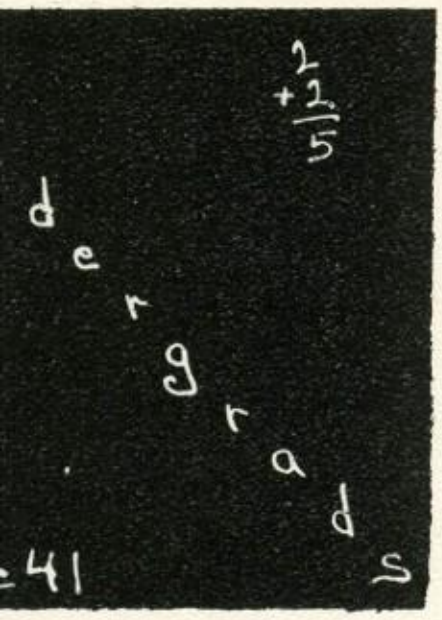
We would like to prove to you, the readers of our book, that these statements are not always true. The purpose of this year's Pioneer is to show you what youth <u>is</u> doing today, and that our generation is one of which we can be justly proud.

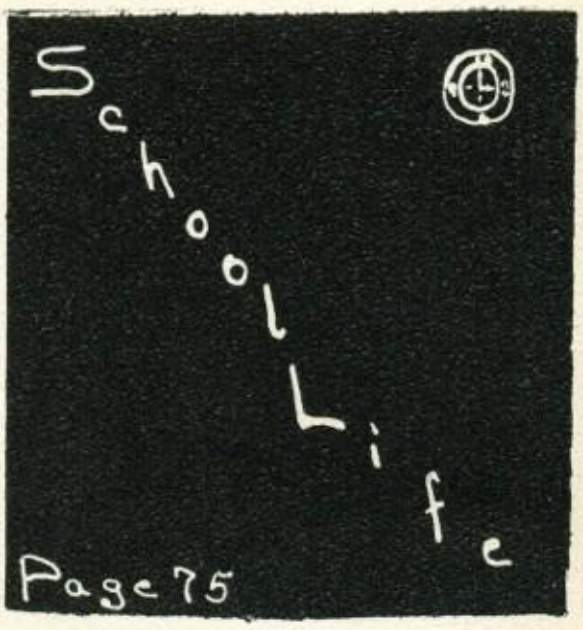
The Editors

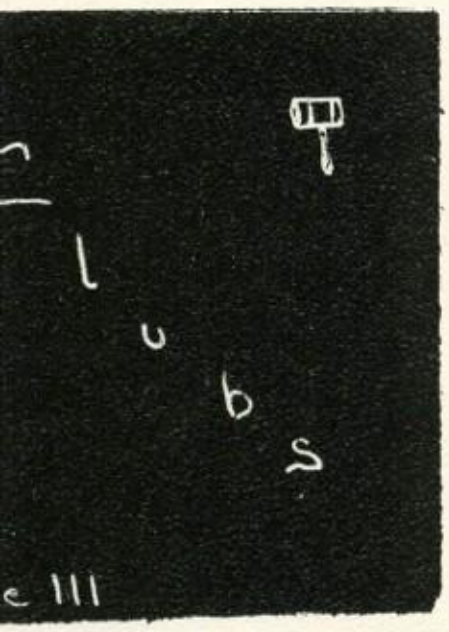
Table of Contents

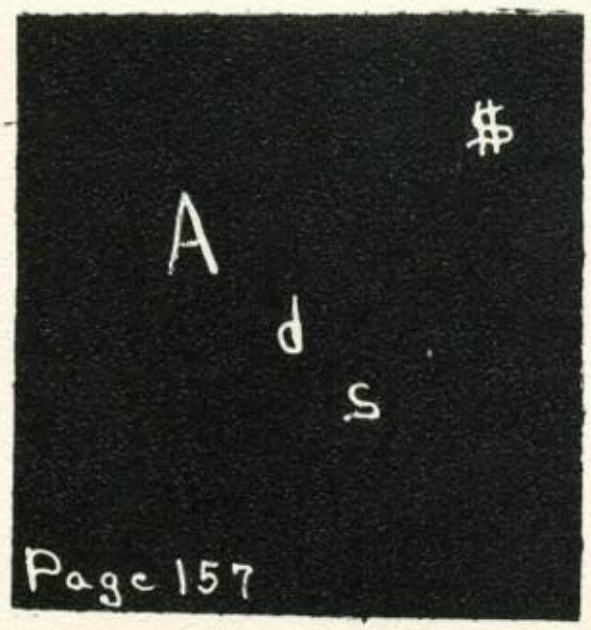


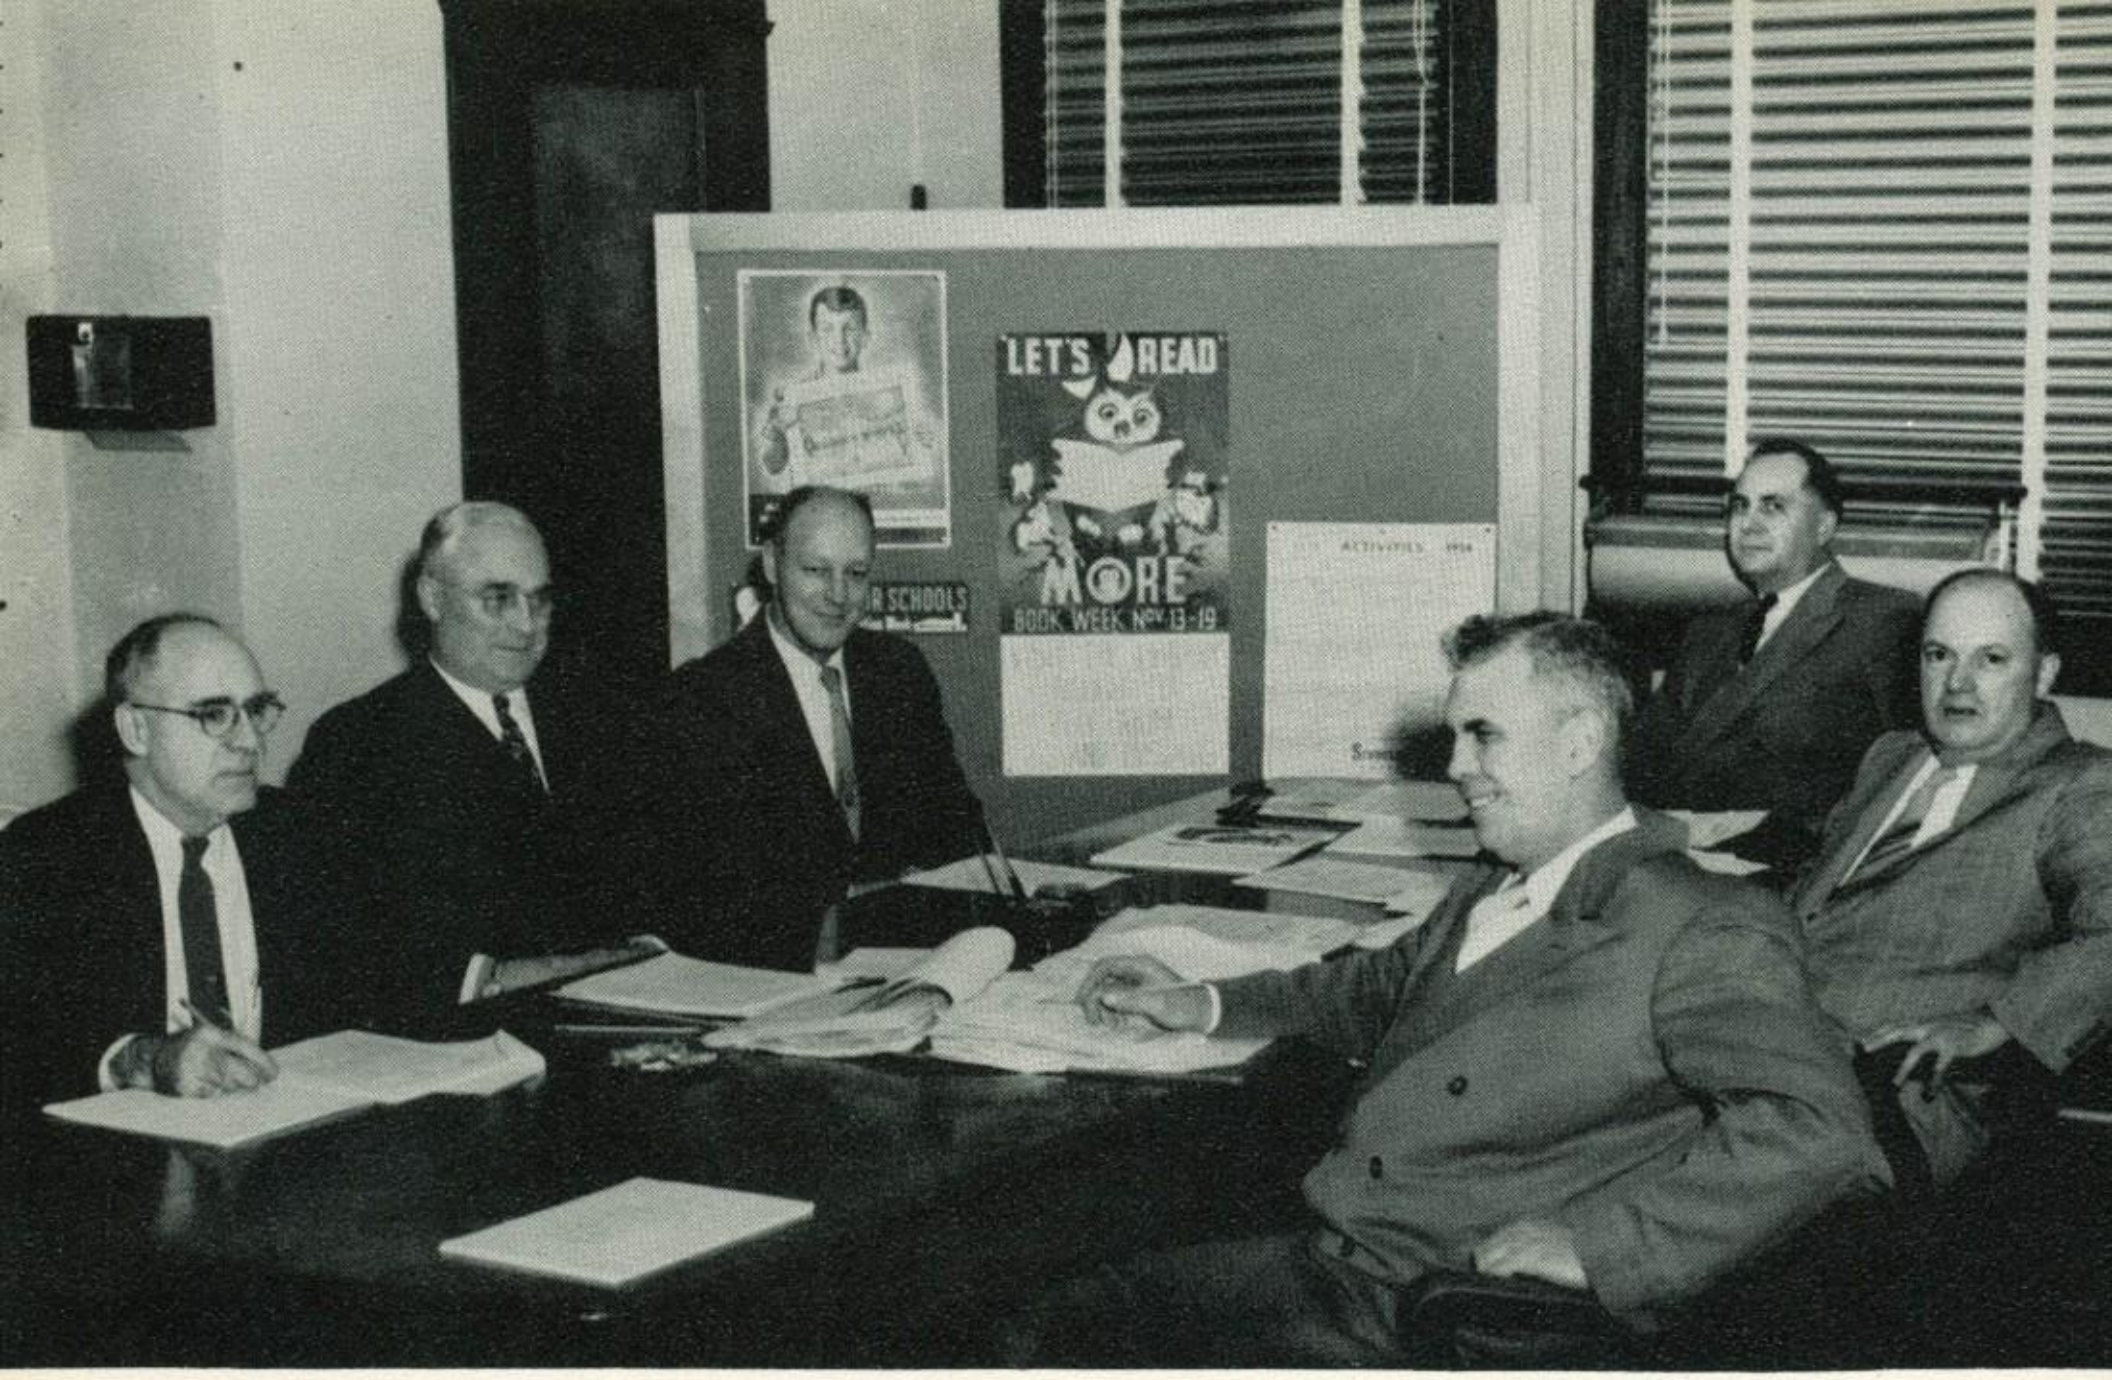












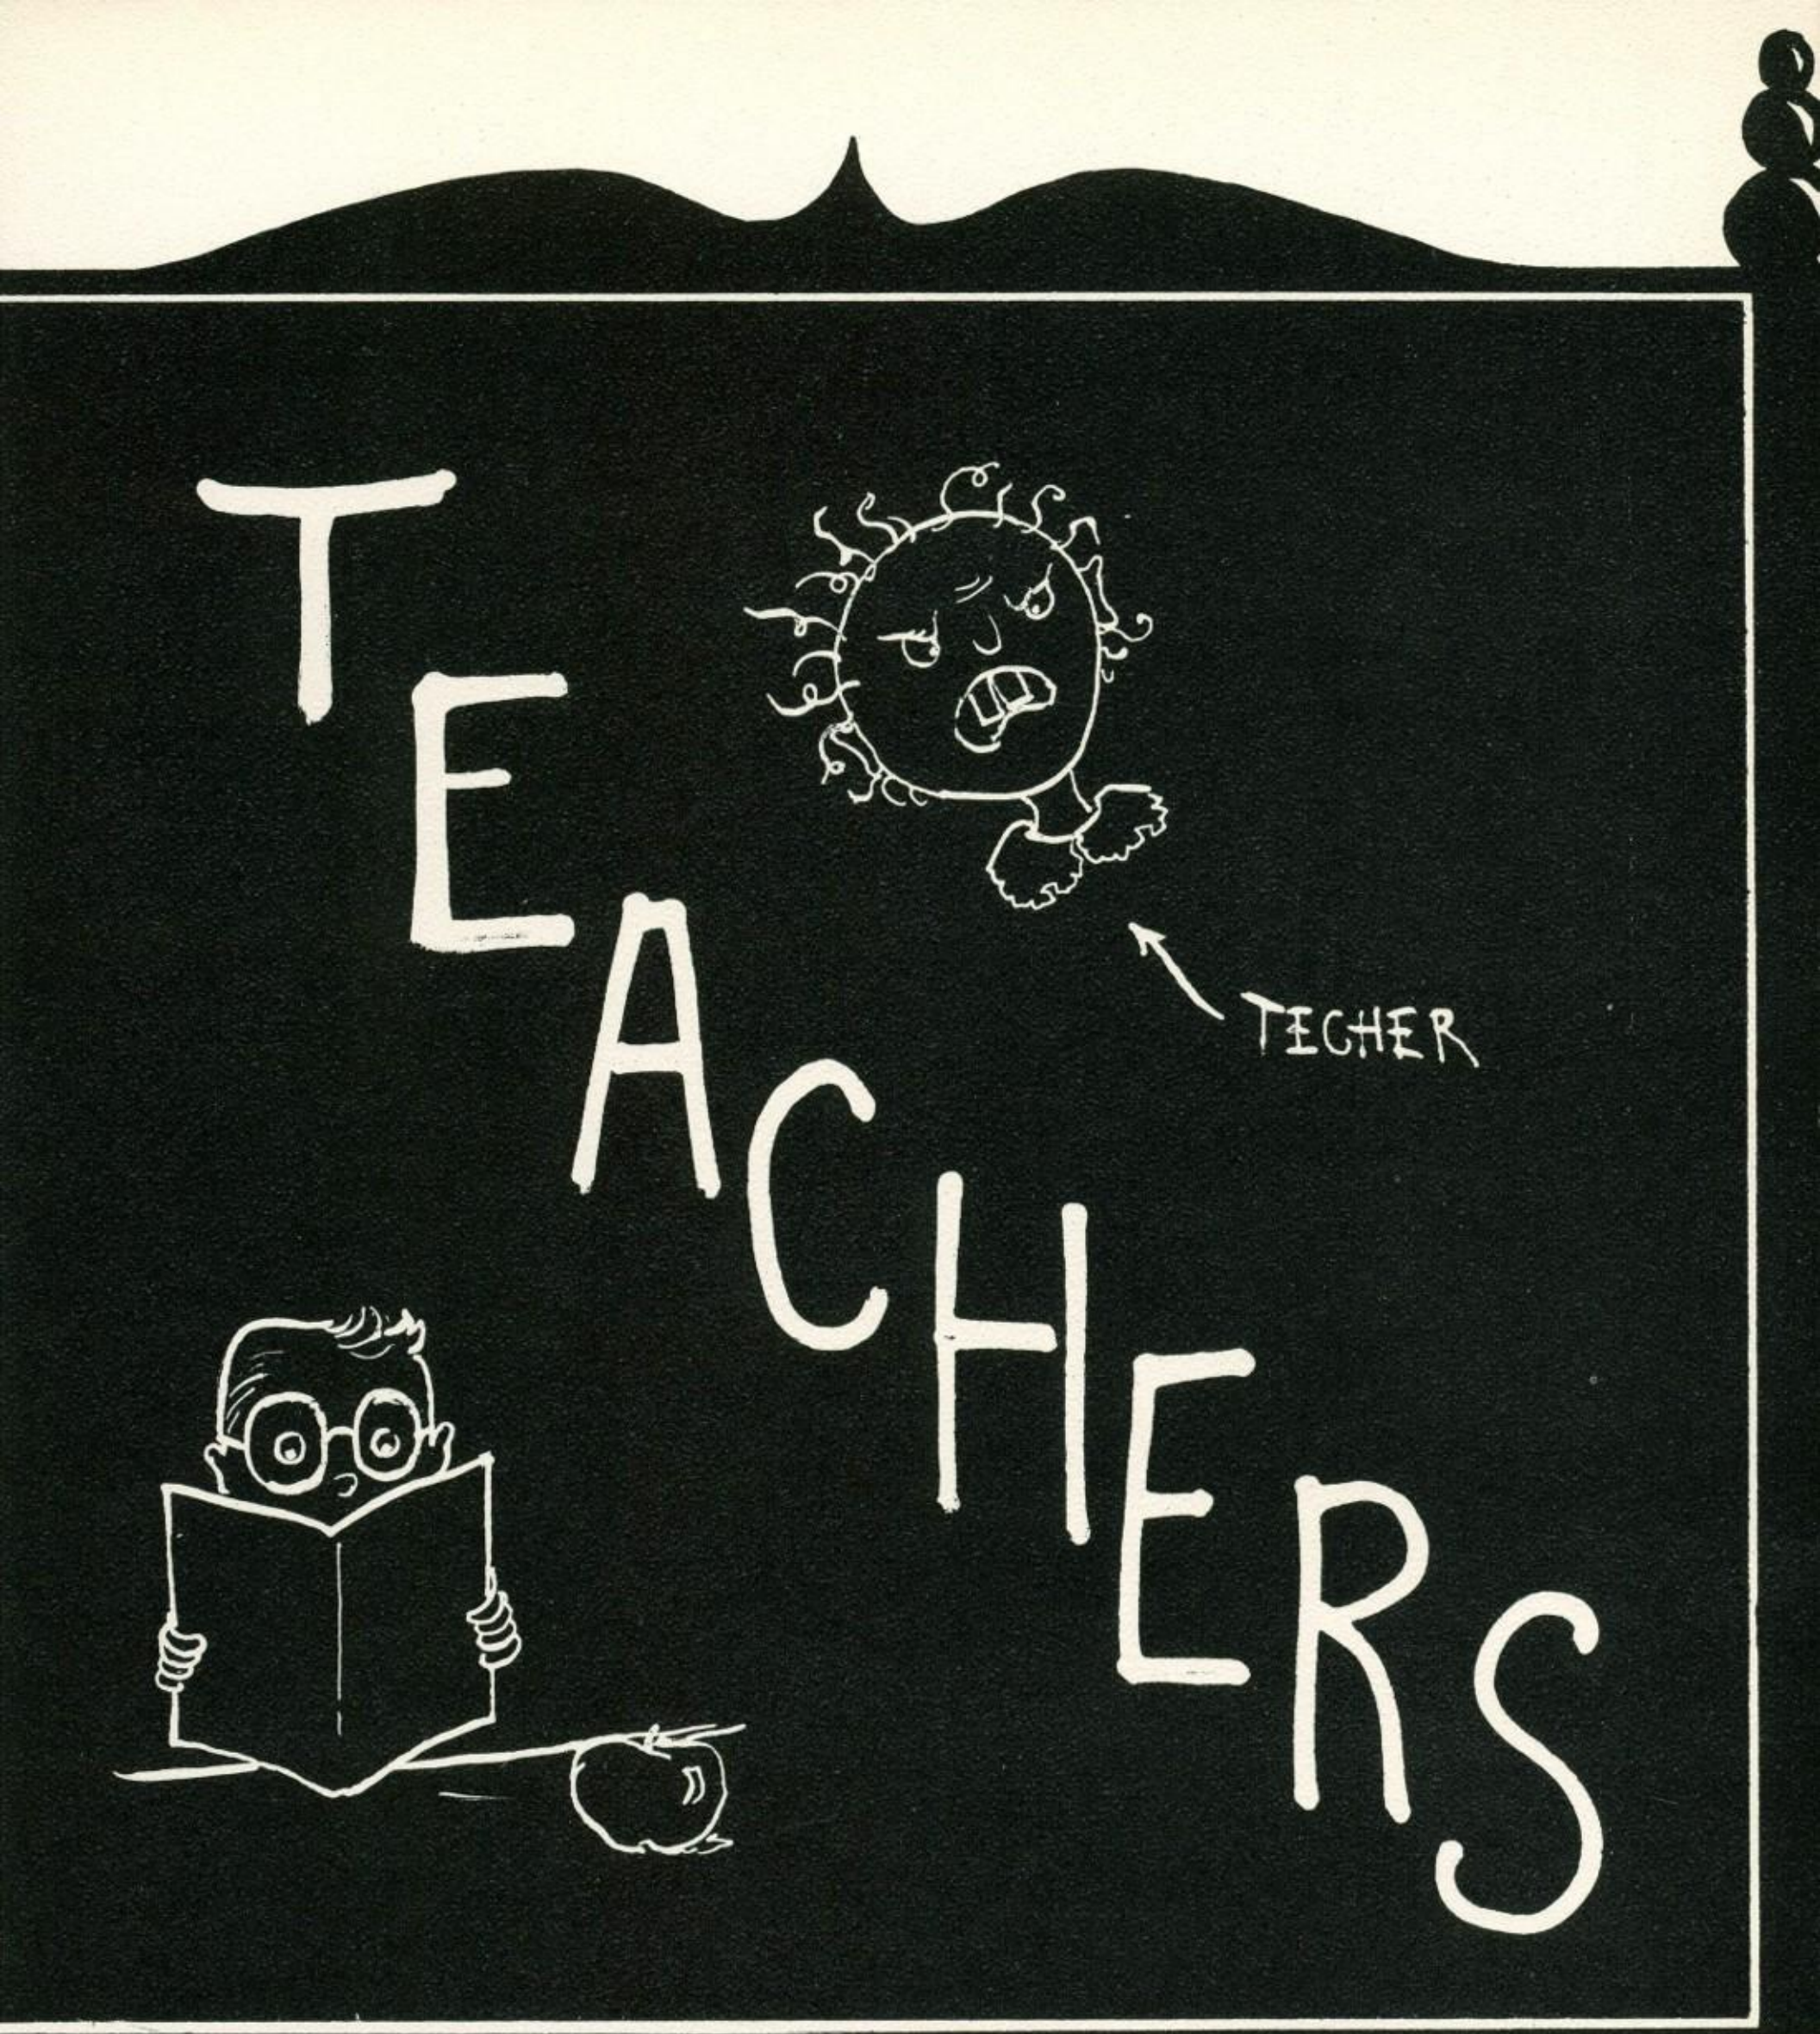
LEFT TO RIGHT: Mr. Paul Bell, Treasurer; Mr. Samuel Ford, President; Mr. Onnie Marjama, Trustee; Mr. E. W. Born, Superintendent; Mr. Thomas Collins, Secretary; Mr. Leslie Richards, Trustee.

Dedication

To show our appreciation for all you have done for us in the past years, we proudly dedicate our 1956 Pioneer to you, the Board of Education.

One proof of your interest in the youth of Negaunee is portrayed in our modern Lakeview School and its adjoining Memorial Gymnasium. Other evidences of your interest and generous support are the recent improvements of the library, home economics department, auditorium, our hot lunch program, and the redecoration of the rooms in the high school building.

Many of the things featured in this book have been made possible only because of your support. To all the members of the Board of Education we give our heartiest thanks!



TEACHERS
TEGHER

If I have contributed one iota to the educational program of the Negaunee schools, then my efforts have been well spent, and I am happy.

E. W. Born

Mr. E. W. Born
Superintendent

Each student in our schooı is important because he possesses the potential for a useful, successful, and happy life. Your horizons will be broadened and your life made richer as your education progresses. We earnestly hope that your school experiences will raise your expectations, your aspirations, your self-assurance.

After graduation we trust you will sense that your school follows your ambitions with interest and pride. We hope that you will recall your school days with pleasure and satisfaction.

This year a general survey was taken of the faculty to compile certain combined facts and percentages about them. Questionnaires were given to each teacher to fill out and place in a box in the office. This was done on a secretive basis, so no one's identity was revealed. Thirty-five of the thirty-seven which were sent out were returned to us. The information which we were able to get was quite interesting.

Forty percent of our present faculty are graduates of N.H.S. The combined years of service of all the teachers is 420 years, an average of 12 years per teacher.

Eighty-three percent of the teachers have taught in other schools. Their combined years of service totals 303, making an average of 10 1/2 years for each teacher who has taught outside of Negaunee.

Sixty percent of our teachers are men. Out of every 3 teachers, 2 are males.

Sixty-nine percent of the faculty is married, and there are 22 children whose parents are teachers of Negaunee High School that attend Negaunee Public Schools.

CLASS SONG

MOMENTS TO REMEMBER

Our first years were full of fun
And now we find that we're all done
But we will have these moments to remember.
The noisy halls, the merriment,
The precious years which we have spent
We will have these moments to remember.
Tho' summer turns to winter,
And the present disappears,
The laughter we were glad to share
Will echo through the years.
When other nights and other days
May find us gone our separate ways
We will have these moments to remember.

SCHOOL
LIFE

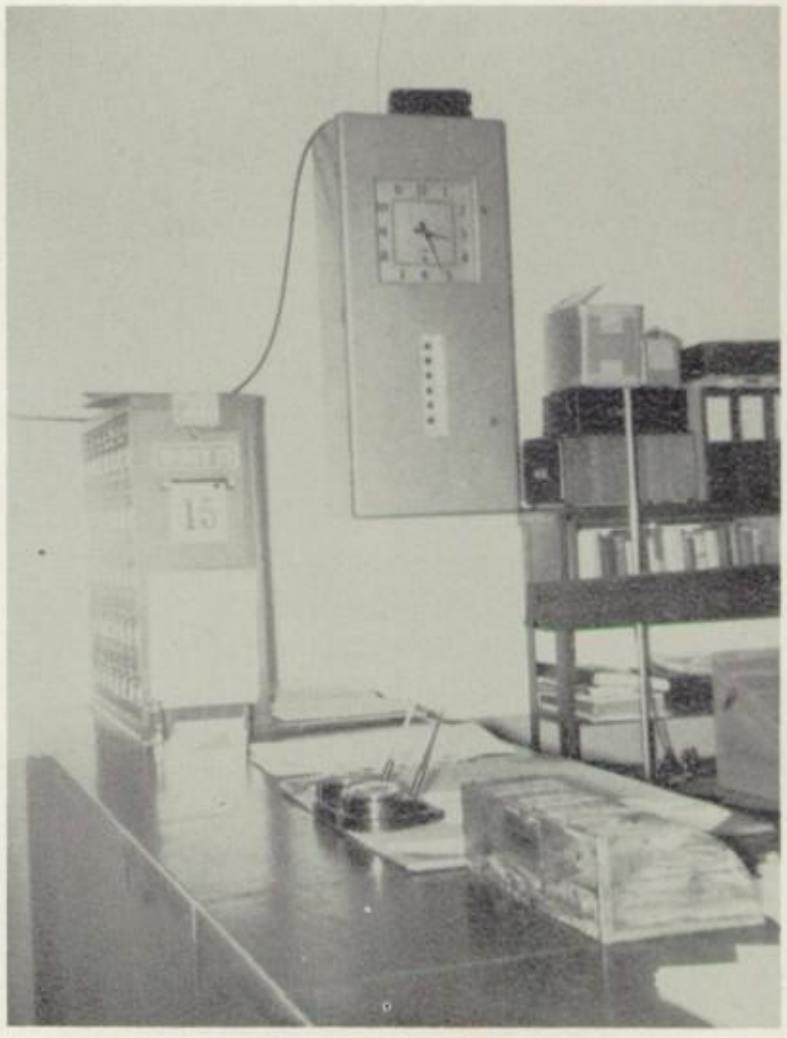
NEGAUNEE HIGH SCHOOL

Students come to Negaunee High School from a large surrounding area. Our school is an excellent one because of the many advantages offered to the pupils. There is a wide and varied selection of classes. A free dental clinic and a special building to house industrial arts classes are only two of the many facilities provided.

Busses bring many students to school.

Manual Training Building

The old.....



And the new.

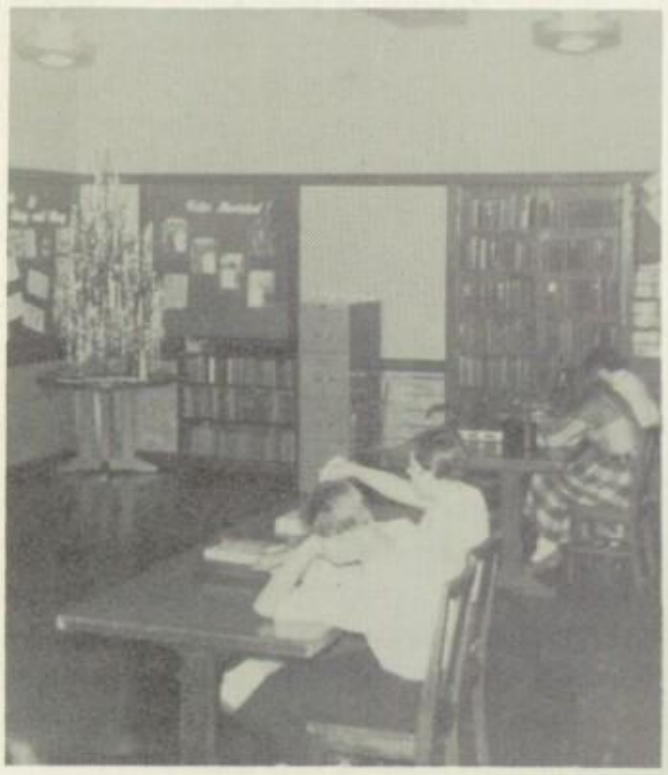
The old clock in the auditorium was replaced last year by a new one in the office. This is only a small example of the progress being made in our school. As seen below, more and more students register each year. There were 21 new students enrolled this year in addition to the seventh grade class.

Mr. Richards registers new students.

"Don't you kids have anything to do?"

That's more like it!

Our school has excellent study hall facilities. There are two study hall rooms, and a very well equipped library. The library has a good selection of books, available to students at all times.



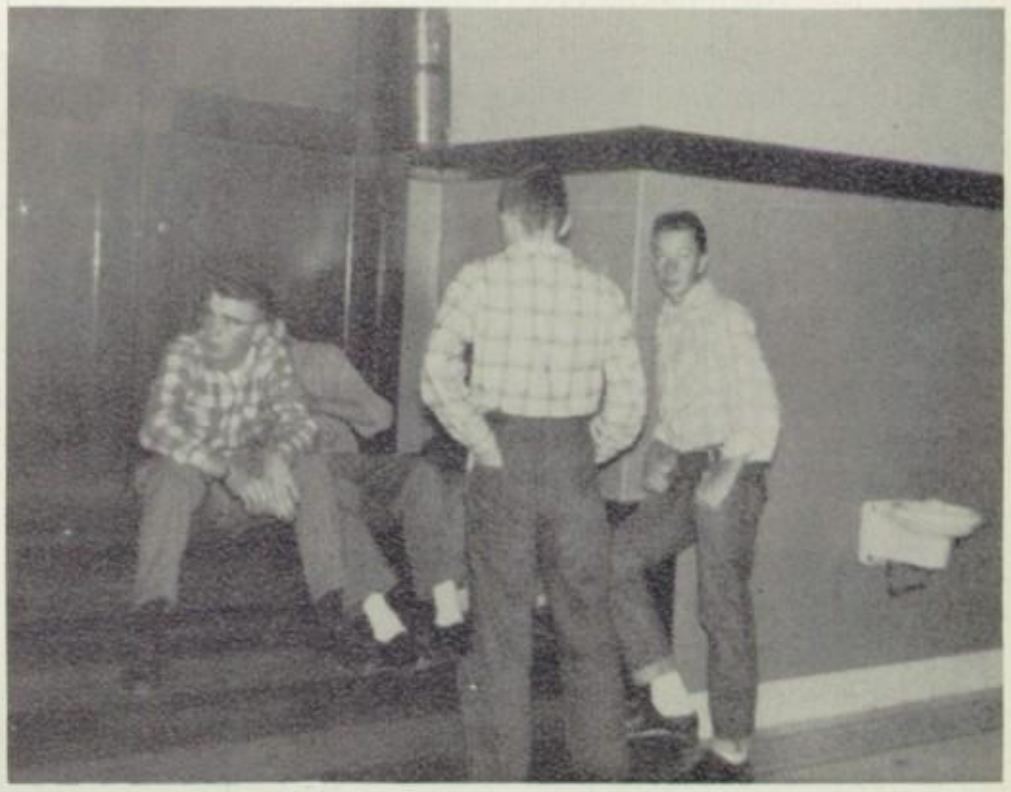
Women at work.

Watch the birdie, Darlene.

Does it taste good, kids?

Mrs. Arcand, the "head chef."

The cafeteria and the front and back steps of the auditorium are familiar sights to the students of N.H.S. The hot lunch program serves meals to students who cannot go home at noon. The auditorium steps are frequent gathering places for students, some of whom sit there before morning and afternoon classes.



Smile, Reuven!

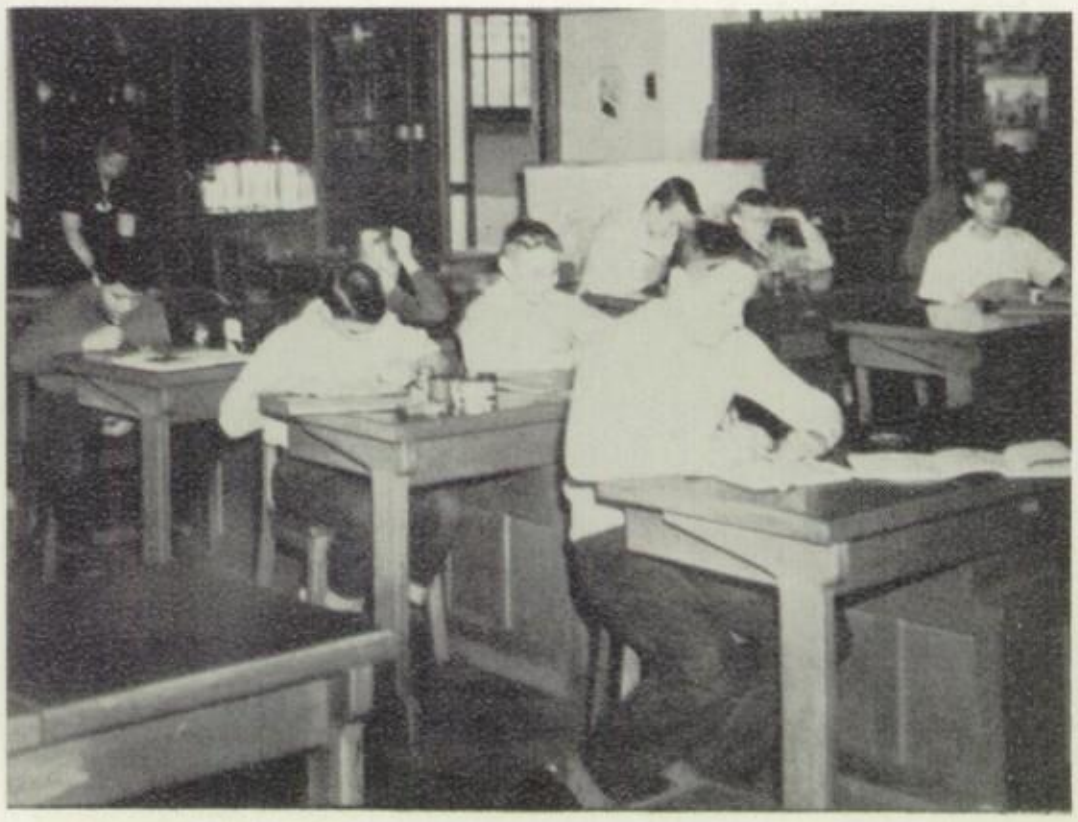
Penny for your thoughts, Dunc.

Hablan espanol chicas?

Sit up straight and breathe deeply.

Our school offers a full and varied program of fine arts. The mixed chorus is directed by Mrs. Sundquist; the orchestra by Mr. Daley, Miss Tullberg teaches the art classes, and Mrs. Waters, the Spanish classes. Besides the classes pictured on this page, the fine arts curriculum includes band, girls' chorus, Latin, and various other music ensembles.

Get that "C" sharp in tune!



Caution! Men at work!

Mr. Wills and Amolius.

Scientists at work????

Science and mathematics go hand in hand in this generation of intensive research. Their importance has been realized with several recent improvements. Two of the math. classes have new desks, and formica table tops have been installed in the biology laboratory.

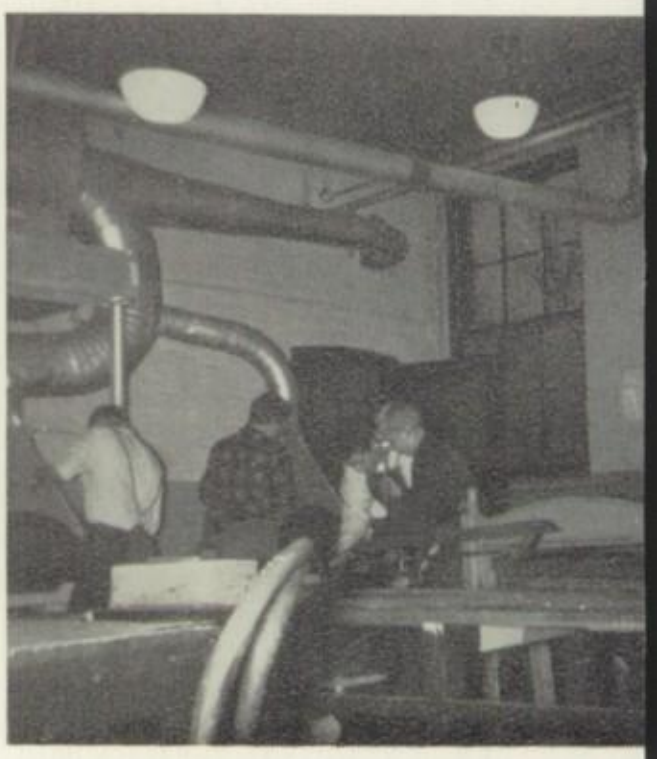
What's so funny about Geometry, Fred?

Back to work, kids.

The second floor hall.

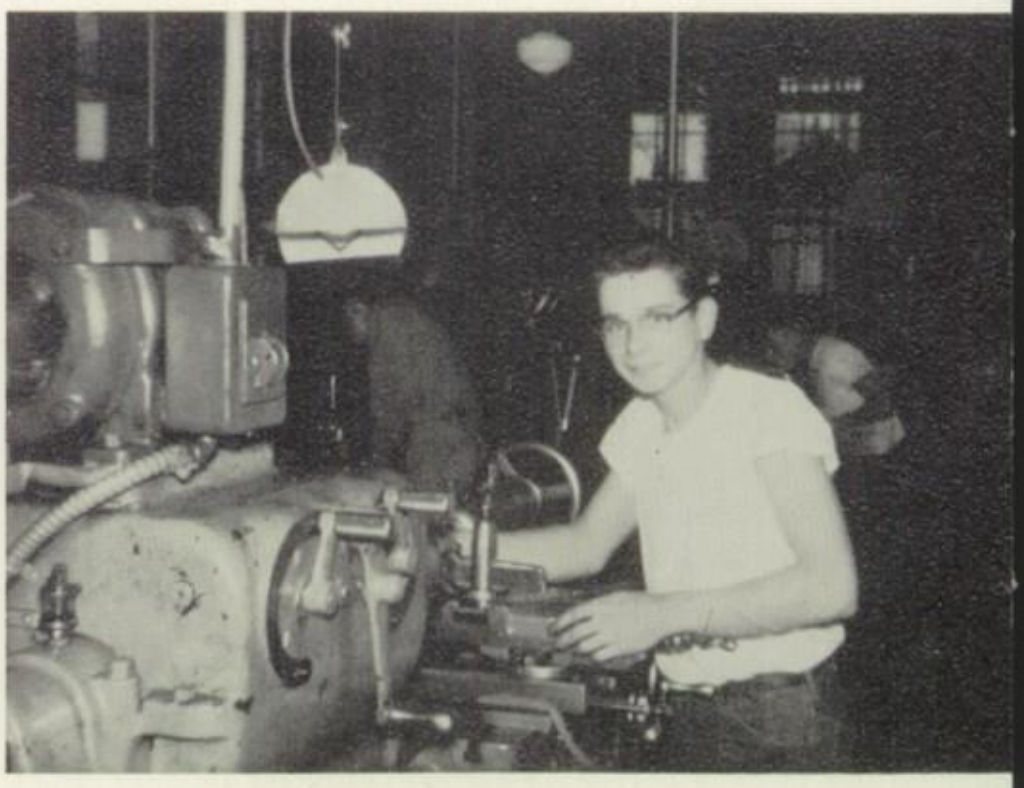
In our school the Industrial Arts classes are held in their own building. Here, the boys in grades 7 through 12 receive training in woodworking, metal-working, and handicraft.

Mechanics hard at work!!!!



The inside of a space ship?

Hey there, Mr. Rudness!



That machine looks complicated, Mike.

Watch your nose, Rudy!

More pictures of the five industrial arts classes. Upper left, Metal Shop; upper right, Wood Shop; center, Machine Shop; lower left, Printing; lower right, Mechanical Drawing.

Get to work, Eddie!

Blackboard Jungle?

Setting ads for the Pioneer!

Future Engineers?

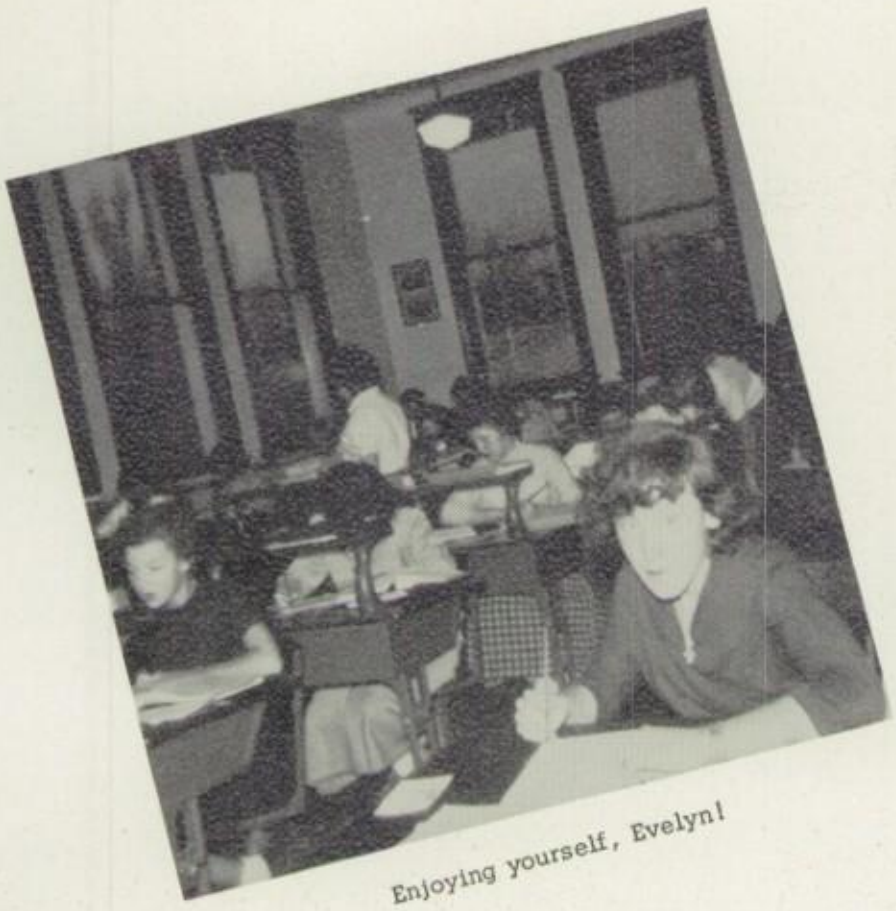
Don't drop the baby, Alice!

Our Home Economics department is one of the finest in the U.P. We have a staff of three well qualified teachers. The girls learn to cook and sew, and all about family relations and running a home.

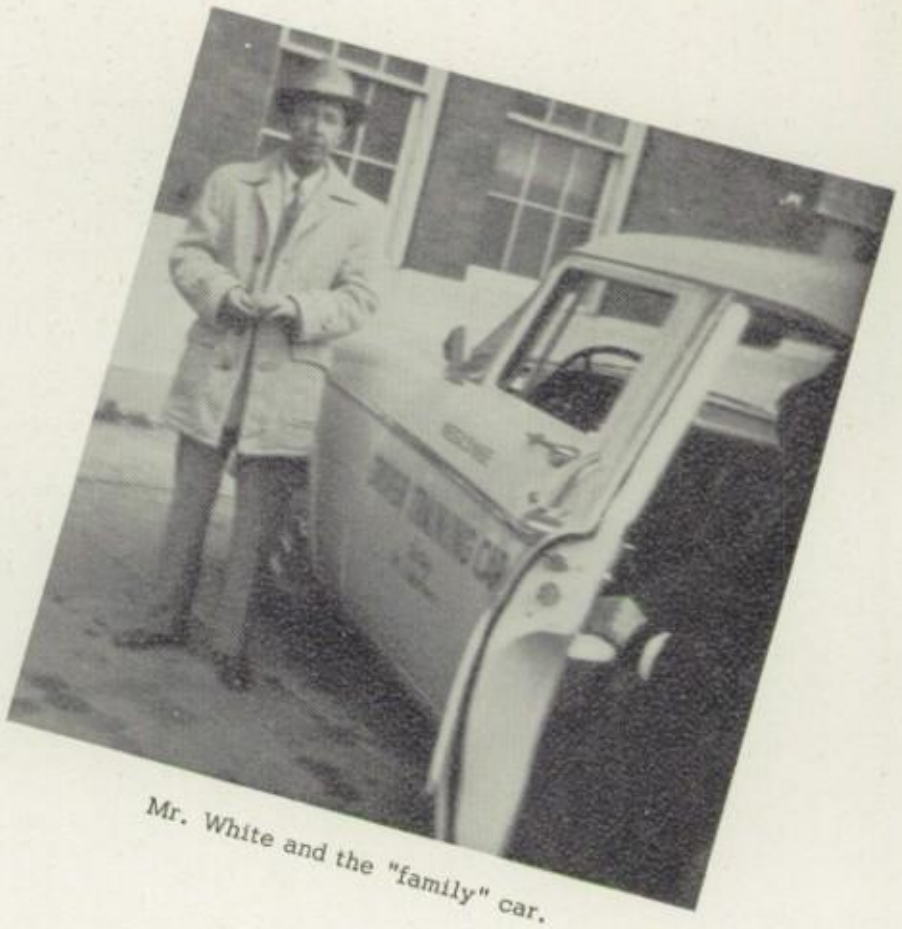
Studying?

Preparing a formula.

What's so funny about doing dishes?

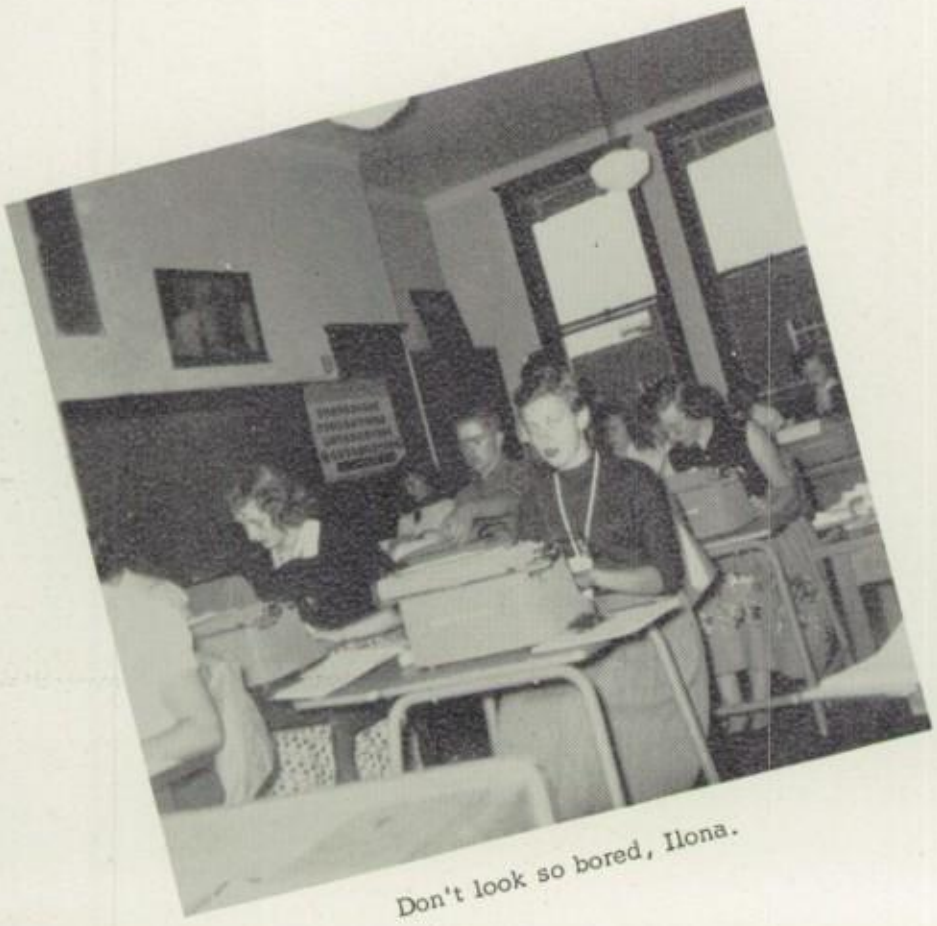


Enjoying yourself, Evelyn!



Mr. White and the "family" car.

Although the pictures on this page seem to have no connection, the subject which each of these classes teach is practically a necessity in order to be a good citizen today. Bookkeeping gives one a keen business sense which may prove valuable. Typing can be made use of all through life. Every responsible and active citizen should be able to drive, and be capable of giving a speech when called upon.



Don't look so bored, Ilona.

Surprise, Miss Miller!

The pep band plays at an assembly.

The assembly programs play an integral part in the life of our high school. In addition to student assemblies, Negaunee High School subscribes to the National School Assemblies Service. Many interesting and varied programs are presented during the year.

The Seniors!!!!!

Class Presidents

In this section, we are including those organizations which have definite school services to perform, but do not consider themselves active clubs.

Our class presidents are a vital part of our high school life. They are elected each year, with the other class officers, by popular vote.

This year the senior class elected James Hodge as their president for the third consecutive year. It is seldom that such an honor is conferred upon a student by his classmates. Jim has maintained a high scholastic average throughout high school, and has served very well in his capacity as president of his class.

Formerly the class officers were elected in the fall of the year. However, this year they are to be elected in the spring. This will enable the classes to get off to a good start in the fall.

The Student Council

The Student Council, during the past year, has carried out many helpful programs, some of which are: Sponsoring school dances and student assemblies for the football scoreboard, arranging groups or clubs sponsoring school dances, and placing a suggestion box in the hall for the students' opinions.

This is the fourth year of publication for The Pioneer since 1931. The Pioneer was then known as The Negauneensian.

Many wonder what the stump means on the cover. Some think that it is just a picture. It has some real significance. The stump was overturned by Marji Gesick, Chief of the Chippewa Tribe of Indians, and it was here that ore was first discovered in June of 1845.

The Pioneer staff wishes to thank all those who have helped in any way to make this publication possible.

The aims of the Nee Hy Nuz are to present information concerning current school activities and to provide an agency for creating an awareness of student problems. It also serves as a record of important annual events.

On its staff the reporters are responsible for getting in required stories and meeting the deadline. The co-editors then, with the assistance of their advisor, must get the copy to the printer, make page dummies, and proofread all articles for errors.

In the field of journalistic achievements the paper has received state recognition six times for outstanding production of issues regarding tuberculosis. On one occasion national recognition was received for this project.

This year the journalism class attended a journalism conference held in Escanaba.

Quill and Scroll, the National Honor Society for high school journalists, was established in Negaunee on November 25, 1953.

Diamond Jubilee Scholarship

Faith Mary Koski, a member of the 1955 graduating class, was honored on class night with the presentation of the Diamond Jubilee Scholarship.

This scholarship was made possible by a special fund which was set aside during the planning of the Jubilee.

In order to qualify, Faith had to be outstanding in her studies and have plans for the future which included at least two years more of schooling. Her interests and co-operation in extracurricular activities also made her eligible for this award.

Faith is now majoring in chemistry at Michigan College of Mining and Technology, Houghton.

The student body of Negaunee High School wishes her all the success possible as she continues to be outstanding in all that she does.

National Honor Society

1955

Fourteen students were elected by the faculty of N.H.S. on the qualities of scholarship, service, leadership, and character to membership in the National Honor Society. Fifteen percent of the class membership of 93 was elected.

Those elected were:

1. Katherine Ann Hill
2. Rose Elizabeth Hyry
3. Janet Marie Isaacson
4. Diana Marlene Kangas
5. Nancy Sue Kjellberg
6. Faith Mary Koski
7. Frances Elaine Laitinen
8. Jacqueline Ruth Langlois

BACK ROW: Marlene Himanka, Mrs. Waters, instructor, Aurelia Grenier, Patricia Campbell.

A third successful year for the library has been completed. Mrs. Waters has been diligently aided by the assistant librarians whose duties are to stamp and sign books, watch the desk, check attendance and circulation. There are approximately 4,700 books available in the library.

Neal Ahola presents the television set to Joyce.

Joyce works on a project.

Joyce Koski, a Negaunee High School junior, was the lucky winner of a Bendix television set from the Co-op stores.

To enter the contest she was required to color the picture of a pirate and the label of a tuna fish can. Joyce has a good scholastic record, and is very much interested in art.

Many students attending our high school require bus transportation. Pupils come from U.S. highway 41, Palmer, Rolling Mill, Cambria Location, Eagle Mills, North Road, and Buffalo Location. These students eat their noon meal in the school cafeteria.

Lines form for transportation home.

Students board busses.

Director and "Albert"

Dear Ruth

"Dear Ruth," presented by the Senior Class is a story centered on the Wilkins family, Judge and Mrs. Wilkins, Ruth and Miriam.

Ruth, a young woman in her twenties, is a teller at the city bank.

Miriam is sixteen, very imaginative and well versed on world affairs.

The plot is set by Miriam who has been writing letters to Lt. William Seawright in her sister's name. She also sent him Ruth's picture.

After Ruth had left for work one morning, Lt. Seawright presents himself to Judge and Mrs. Wilkins. He is on leave and wants to marry Ruth. Imagine Ruth's surprise and Miriam's fright.

The second and third acts are full of laughter and surprises.

1955 Prom

The Memorial Gym was made into an Oriental garden for last year's prom. A huge false ceiling was spotted with gaily colored Oriental lanterns, and the background of moonlit gardens and Chinese women added to the Far Eastern effect.

The Grand March was led by Prom King David Violetta and his queen, JoAnn Niemi.

Bill Bauman's orchestra provided the music.

The Prom Committee of juniors and seniors was headed by Rita Wilson.

The Great Director

The seventh graders used a Valentine theme for their class party, which was held on February 10. After going to the show they came back to dance to a juke box and have lunch.

Str-r-retch it Grace!

A-a-a-h food!!

The freshman class party pictures were lost in the mail. We've heard of people breaking cameras but never of causing the film to disappear completely. What gives, freshmen?

Grade Class Parties

The eighth grade class party, the Skaters' Ball, was held on Friday, January 27, in the girls' gym. They danced to music provided by a juke box until 10:30, taking time out to have lunch.

Waltz me lightly, Gordon

Club Parties

"Los Amigos" line up for food.

Look at the birdie, Sharon!

The Los Amigos Club had an initiation party to welcome the new members. Greetings were exchanged in Spanish and before eating the members said a Spanish table Grace.

The annual Hi-Y Christmas party was held in the cafeteria. After dancing and playing games the boys and their guests ate lunch. Each boy gave a stuffed animal to his partner.

The Tri-Hi-Y party, held in the boys' activity room, was a costume party. Each girl wore an outfit representing some comic or story book character. A very interesting ghost story was told, complete with props.

Debate Team

Negaunee's Debate Team is coached by Miss Berylene Miller. The girls are all first year debaters. One of their numerous activities included an exhibition debate for the student body.

The purpose of Masque and Gavel is to promote speech activity and in so doing be of service to the community.

They were in charge of the pep assemblies, assisted in the March of Dimes Campaign, had an active part in the Upper Peninsula Debate Festival and also particiapted in the regular forensic activities.

The Future Nurses Club presents a way to interest students in personal and community health; to encourage them in finding out what nursing requires, and what it offers; to help them decide wisely about professional or practical nursing as their career.

The club, advised by Mrs. Williams, is made up of sophomore, junior, and senior girls. It is a service organization to the school and meets twice a month.

Some of the club's activities include a Christmas tea held for the teachers, field trips to various hospitals, speakers and movies on the nursing profession.

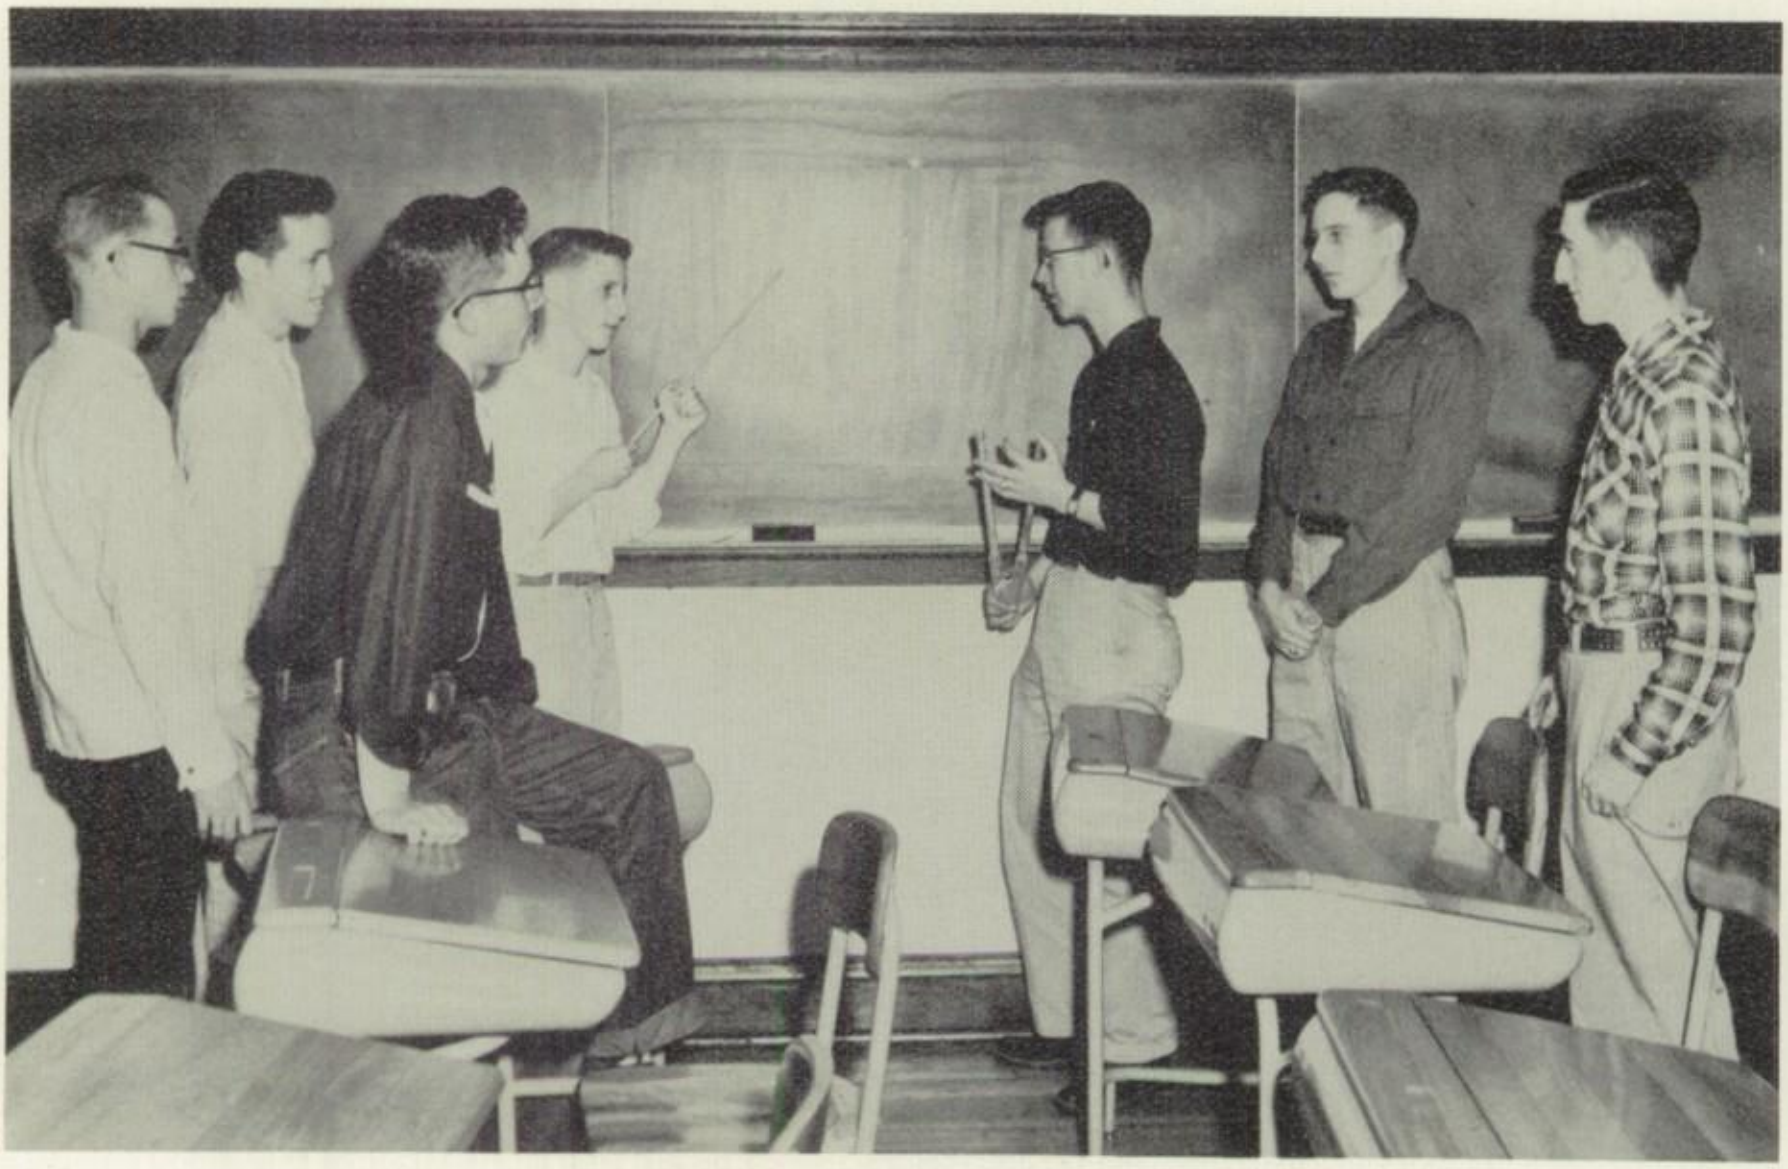
Seniors who wish to become teachers belong to the Future Teachers' Club. One of their yearly projects is the trimming of a Christmas tree for the school's hallway. The club is advised by Miss Arneth.

Future Engineers



LEFT TO RIGHT: Robert Luokkala, Edward Etelamaki, Eugene Pellinen, Paul Hemmila, Bruce Conradson, James Hodge, and John Bath.

Being newly organized, the Future Engineers are pictured for the first time in the Pioneer.

Their plans for this year included a trip to Michigan Tech. Several guest speakers attended their meetings.

The purpose of the club is to increase the interest of its members and further their knowledge in the field of engineering.

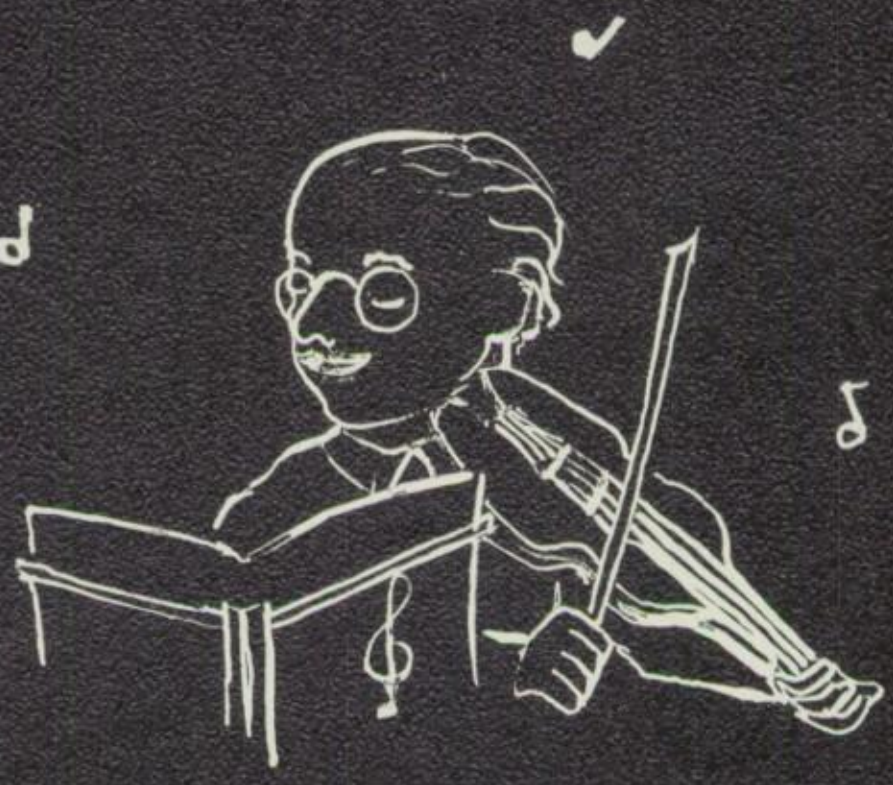
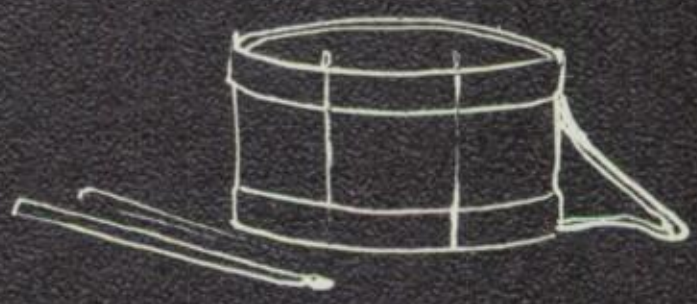
Music





String Orchestra

This year's all-girl orchestra is the largest and one of the best Negaunee has had.

In the fall the concert orchestra played for the Teachers Convention at Marquette.

In March tney presented a Sunday Musical which consisted of the concert orchestra and solos, both vocai and instrumental. They also went on an overnight trip to Peshtigo, Wisconsin, where they presented an enjoyable program.

Once again this spring Negaunee was host to the Orchestra and Choir Festival.

Negaunee High School Band

An organization which holds the admiration of everyone, duly deserving of it's fine name, is our Negaunee High School Band.

Hard work is the number one aspect for achievement and the band members and Mr. Daley are certainly to be commended on this.

Along with practicing every day during the school year, the band now has summer rehearsals. Through continuous efforts by all, the band raised money to go to Ann Arbor to take part in the Band Day that was held at the University of Michigan. Out of 183 bands, our band, along with two others, was chosen to do a solo marching performance.

The Majorettes, under the direction of Miss Gloria Maki, a student at NMCE, practice once each week on routines and techniques. At the beginning of the year tryouts are held and a troup of twelve regular twirlers and one alternate are chosen. By hard work the girls have successfully performed at parades and basketball and football games during the year.

Music is a very important part of life at N.H.S. We are proud of our vocal groups, which are six in number. They are all under the direction of Mrs. Jean Sundquist.

On these pages the following groups are presented.

The Girls' Glee Club--this group is composed of girls from the 8th through the 12th grades. They provide music for various occasions during the year, and present a concert in the spring.

The Mello-Aires, a new group, is composed of sophomore girls. They sang for assembly, and participated in the Glee Club concert. They also attended the Solo and Ensemble Festival at Marquette.

The Cantando is another ensemble composed of Junior and Senior girls. They presented two numbers at the Matinee Musical in March.

Members of the Mixed Chorus come from grades 9 through 12. In April, they put on the operetta "Shreds and Patches" from Gilbert and Sullivan.

The Boys' Quartet, an excellent vocal group, participated in the Matinee Musical. They sing not only for school functions, but for out-of-school programs.

The Senior Sextet sings for many programs at various places throughout the year. They also performed at the Glee Club concert.

Herman takes the high hurdles!

Due to inclement weather, the Negaunee Miners did not enjoy a high-lighted season.

Jim Connors, Bob Herman, and Jim Conradson were high point collectors.

Conradson excelled in the shot-put, while Herman proved outstanding in the high hurdles and 100 yard dash, Connors was tops, in running the mile events.

Clad in their maize and blue uniforms, the cheerleaders welcome the opponents and lead our student body in portraying the ideals of good sportsmanship. Under the leadership of Mrs. Pangrazzi, these girls have sponsored pep assemblies.

The cheerleaders are elected in an all school assembly once every year. The "B" team is chosen from the ninth and tenth grades and the varsity, who have had at least one year on the "B" team, from the eleventh and twelfth grades. A limit of three absences from practice is allowed and written excuses are required.

The cheerleaders must be neat in appearance, possess characteristics of a good personality, and show leadership.

Homecoming Queen 1955

Homecoming Queen 1955

Joyce Trewhella a graduate of the class of '56, was honored this year, by being chosen as the homecoming queen of 1955. The girls in the queen's court were Sharon Pezzotti and Lois Kempthorne. These girls were chosen from a field of eight.

The queen was crowned during the half time of the homecoming game, by James Hodge, president of the Student Council.

Candidates for the homecoming were: Bonnie Dahlstrom, Shirley Bessolo, Sharon Pezzotti, June Hintsala, Pat Pascoe, Joyce Trewhella, and Sharon Korpi.

Homecoming Festivities of 1955

Classes and clubs entered floats in the homecoming parade. Masque and Gavel won first place, Seniors cupped second.

Everyone turned up for the parade in spite of the cold weather.

Homecoming festivities proved to be successful.

"Baby--it's cold outside.

Pep Rally

Just look at those saucy seniors!

Mesdames Miller and Pangrazzi lead in the merriment of the crowd, preceding the Negaunee-Ishpeming football game.

The Masque and Gavel members presented several short skits to begin Homecoming celebration. Entertainers were: "The Ding Dong Sisters", "Calamity Jane", and an imitation of "Dragnet".

"Dummy" your end is near! N.H.S. can be vicious.

The fire is awaiting you!
